SECTION I

BACKGROUND, FUNCTIONS, AND PURPOSES OF THE ABFDE

The need to identify forensic scientists qualified to provide essential professional services for judicial and executive branches of government, as well as society in general, has been long recognized. In response to this professional mandate, the American Board of Forensic Document Examiners, Inc. (ABFDE) was incorporated in 1977 to provide, in the interest of the public and the advancement of the science, a program of certification in forensic document examination. In purpose, function, and organization, the ABFDE is thus analogous to certifying boards in many other scientific fields.

The objectives of the Board are to establish, enhance, and maintain standards of qualification for those who practice forensic document examination and to certify, as qualified specialists, those voluntary applicants who comply with the requirements of the Board. In this way, the Board aims to make available to the judicial system and others in the public a practical and equitable system for readily identifying those persons professing to be specialists in forensic document examination who possess the requisite qualifications and competence.

Certification is based upon the Candidate's personal and professional education, training, experience, and achievement, as well as on the results of a formal examination process.

The Board is a nonprofit organization incorporated in the District of Columbia. Its sponsors include the American Society of Questioned Document Examiners, the Canadian Society of Forensic Science, the Southeastern Association of Forensic Document Examiners, and the Southwestern Association of Forensic Document Examiners. The Board is also recognized by the American Academy of Forensic Sciences, the International Association of Identification, the Mid-Atlantic Association of Forensic Scientists, and the Midwestern Association of Forensic Scientists.

The Board's Standards for Certification in Forensic Document Examination are contained in the statement on "Qualifications and Requirements for Certification in Forensic Document Examination" which follows.

Derivative litigation that may arise subsequent to the initial complaint will not warrant a suspension of action on the original complaint by the Board.
- 1.5 The President may consider extending deadlines outlined in the below procedures, where extenuating circumstances exist. Such extensions shall be documented.
- 1.6 The President will annually publish the statistics of formal written complaints.

2. Professional Review Committee Appointments

- 2.1 The body responsible for conducting inquiries into the conduct of Board Diplomates or Candidates is the PRC. This Committee will consist of the ABFDE Vice President as Chair, and two other Directors who will be chosen to serve on the Committee by the President.

- 2.2 If, however, a complaint is registered against a Director serving on the Board, two Diplomates in good standing who are not Directors will be chosen by the President to serve with the Vice President on the Committee.
 - 2.3 If a complaint is registered against the Vice President, then the President will serve as Chair of the PRC.
 - 2.4 If a complaint is registered against the President, then the Vice President will serve as the Chair with the PRC and shall in that instance serve as spokesperson for the ABFDE regarding the matter and be responsible for all further actions related to the complaint as reserved and assigned to the President herein.
 - 2.5 If an unresolved complaint is registered against a Diplomate, such Diplomate cannot act as a PRC member until the matter has been dealt with and settled by the Board.
 - 2.6 The PRC must be as free as possible from compromising influences. Consequently, members of the Committee must be chosen with a view toward minimizing any prejudice or perceived prejudice connected with the complaint.
 - 2.7 The PRC, after due consideration, shall recommend whatever disciplinary action they feel is appropriate in their report. The Board, upon review of the recommended disciplinary action, may consider that an alternative action is more appropriate and shall establish the final action to be taken.
3. Registration of Complaints
 - 3.1 Before any action can be taken, a formal challenge or complaint against a Diplomate or Candidate must be submitted in writing to the ABFDE President. No anonymous complaints will be accepted.
 - 3.2 Only one Diplomate or Candidate can be named in each complaint. If an individual wishes to register complaints against more than one Diplomate or Candidate, then separate complaints must be registered for each Diplomate or Candidate.
 - 3.3 The PRC, however, may combine complaints if it is practical to do so.
 - 3.4 Every complaint concerning the conduct of ABFDE Diplomates or Candidates must meet the following criteria:
 - 3.4.1 The complaint must be made in writing and addressed to the President of the ABFDE.
 - 3.4.2 If the complaint is made against the President, the complaint must be made in writing and addressed to the Vice-President of the ABFDE.
 - 3.4.3 The complaint must pertain to a violation of the Board's Code of Ethics and/or Competency.

- 3.4.4 The complaint must relate to a Diplomate currently certified by the Board or a Candidate of the Board.
- 3.4.5 The complaint must clearly describe the disputed issues and include specific examples of the contested behavior.
- 3.4.6 The complaint must be accompanied by supporting evidence.
- 3.5 Upon receipt of a written complaint, the ABFDE President will determine, on the basis of the complaint alone, whether or not the complaint should be referred to the PRC for review. If the President decides not to refer the complaint to the PRC, all submitted materials from the Complainant, along with a letter from the President stating his/her decision, will be returned to the Complainant within one-hundred twenty (120) days. A summary disposition is not appealable to the Board. In the event of a complaint against the President, the actions called for in this paragraph will be taken by the Vice-President.
- 3.6 The Diplomate or Candidate against whom the complaint is registered (the Respondent) will be advised of the complaint in writing. The Respondent will be provided with an opportunity to respond to the allegations if the ABFDE President or Vice-President, as the situation warrants, determines on the basis of the complaint that it should be referred to the PRC.
- 3.7 The Respondent will be provided with copies of all correspondence forwarded to the President by the Complainant. Any responsive submission by the Respondent must meet the following criteria:
 - 3.7.1 The response must be submitted in writing and addressed to the ABFDE President (or the Vice-President if the complaint was filed against the President).
 - 3.7.2 The response must be submitted within the time limit designated by the President, not to exceed ninety (90) days.
 - 3.7.3 The response must refer to issues central to the complaint.
 - 3.7.4 The response must be accompanied by supporting evidence.
 - 3.7.5 The response must be financed by the Respondent or agents acting on his/her behalf.
- 3.8 If the matter should be referred to the PRC, the ABFDE President will select members to serve on the PRC, which will consider the allegations. Apart from the Chair (normally the Vice President), the identity of the PRC members will be treated as confidential.
- 3.9 Once all materials from the Complainant and Respondent have been received, the President will prepare three photocopies of the correspondence and attachments and distribute them under confidential cover as follows:

- 3.9.1 The original materials will be forwarded to the PRC Chair.
 - 3.9.2 Two photocopies will be forwarded to other members of the PRC.
 - 3.9.3 The third photocopy will be retained on file at the ABFDE administrative office.
4. Professional Review Committee Procedures
- 4.1 Members of the PRC will independently examine all of the material forwarded by the President and decide whether the actions of the Respondent constitute a breach of the Code. Each member of the PRC, including the Chair, will prepare his/her own written report outlining his/her opinion concerning the allegations and the supporting arguments for that opinion. All reports will be sent to the PRC Chair.
 - 4.2 The PRC Chair will examine the reports and attempt to reach a consensus concerning the findings of individual Committee members. If no consensus can be reached, a 2-to-1 decision of the PRC in favor of the Complainant will allow the complaint to go to the Board. A 2-to-1 decision by the PRC in favor of the Respondent will result in the dismissal of the complaint.
 - 4.3 The Chair will be responsible for preparing a PRC report to the President stating the findings of the Committee and any matters which did not receive consensus.
 - 4.4 Each PRC member must sign either the original or a copy of the Committee's report, and the Chair will forward all signed copies to the President for appending to the appropriate file.
 - 4.5 The PRC report will be presented at the next full Board meeting for final resolution, unless dismissed by the PRC.
 - 4.6 Once the Committee has submitted its report to the President all copied documents relating to the complaint must be destroyed by the Diplomate in possession of such documents. The original correspondence will be forwarded to the Executive Office for retention for five years from the date of the receipt of the PRC report by the President, after which time these records may be destroyed.
5. Disciplinary Action by the Board
- 5.1 The Respondent will be given at least thirty (30) days written notice of the time and place when the Board will meet to discuss the PRC report.
 - 5.2 This notice will be in the form of a letter signed by the President and will be delivered to the Respondent by U.S. Certified Mail, return receipt requested.
 - 5.3 A U.S. Postal Certified Mailing will satisfy the requirements of paragraph **5.1** above even if the Certified Mailing is refused or ignored by the Respondent.
 - 5.4 Each written notice will include the following:

- 5.4.1 The time, date, and place when the Board will consider the complaint.
- 5.4.2 A copy of the PRC report issued to the President.
- 5.4.3 Notice that the Respondent may, within fifteen (15) days of receipt of the notice, submit a written acknowledgment of his/her intention to make either an oral presentation before the Board or provide a written statement to further explain the circumstances. The oral presentation of the Respondent cannot be made by a person other than the Respondent. As this is a procedural matter, rather than a legal proceeding, no legal counsel or other agent may be present.
- 5.4.4 Should either party request that a court reporter be present to record the presentation, the party requesting this action will bear the entire cost of this service and provide the other side (at no cost) with a complete copy of all recorded information including transcripts.
- 5.5 The Board will receive the Respondent's written or oral submission during a meeting of the Board for which there is a quorum present. The Board has the option of holding a special meeting to hear the Respondent's submission.
- 5.6 If the Respondent chooses not to make a written or oral submission, the Board will proceed on the basis of whatever information is available.
- 5.7 The President will provide each Director with a copy of the PRC report at a Board meeting. These copies will only be made available at the Board meeting and will be collected before the meeting adjourns.
- 5.8 After the matter has been discussed, a vote will be taken to determine if a violation of professional or ethical conduct has taken place. If at least three-fourths (3/4) of those in attendance do not vote in favor of a breach of conduct then the complaint will be dismissed. All submitted materials will be returned to the President or Vice-President, as the case may be, and then forwarded by that individual to the Complainant and Respondent with a letter stating the Board's findings.
- 5.9 If the Board decides that a breach of conduct has occurred, the Board will consider what disciplinary action is appropriate under the circumstances and take the following factors into account if they are applicable:
 - 5.9.1 The severity of the breach of conduct or competency,
 - 5.9.2 The circumstances surrounding the breach of conduct or competency,
 - 5.9.3 Whether or not this is the Respondent's first infraction or the number of previous infractions,
 - 5.9.4 The length of time since Respondent's last infraction, and
 - 5.9.5 The severity of earlier infractions.

- 5.10 The Board will decide by majority vote what disciplinary action is most appropriate. The Respondent will be advised of the Board's decision in a letter from the President. This will be sent to his/her current mailing address by U.S. Certified Mail; return receipt requested and shall be deemed received even in the event the Respondent does not accept the certified mailing.

6. Disciplinary Rulings

If the Board decides that a breach of conduct has occurred, the Board must determine which disciplinary action is appropriate. The disciplinary rulings which the Board may effect are as follows:

6.1 Oral Reprimand

- 6.1.1 This is the least severe form of corrective action which the Board can take.
- 6.1.2 Its purpose is to bring a particular problem to the attention of a Diplomate and correct a problem which could become more serious.
- 6.1.3 One or more Directors of the Board will meet with the Diplomate and explain the nature of the complaint, the section of the Code pertaining to the complaint, and any action which the Board deems necessary to correct the problem.
- 6.1.4 Immediately following the discussion, the Director(s) will complete a record that such a discussion occurred but will not include any details. This document will be filed in the Diplomate's official records for a period of five (5) years. A copy of this document will be given to the Diplomate.
- 6.1.5 The Board should help the Diplomate correct a problem in any manner which is reasonable.
- 6.1.6 The Respondent, upon a finding of a breach by the Board, shall comply within 60 days with any recommendation by the Board and present documentation of compliance as requested. Failure to comply as instructed shall result in decertification.

6.2 Written Reprimand

- 6.2.1 The written reprimand is considered more severe than an oral reprimand. Its purpose is to help a Diplomate correct improper actions, which would have serious consequences if allowed to continue.
- 6.2.2 This reprimand is a written statement issued by the President. It should briefly cite the incident(s) that caused the ruling, the section of the Code pertaining to the complaint, and any action necessary to correct the problem.

- 6.2.3 The written reprimand can be delivered personally to the Diplomate or sent to his/her mailing address under confidential cover via registered mail.
 - 6.2.4 A copy of this document will remain in the Diplomate's file for a period of five (5) years.
 - 6.2.5 The Board should help the Diplomate correct a problem in any manner which is reasonable.
 - 6.2.6 The Respondent, upon a finding of a breach by the Board, shall comply within 60 days with any recommendation by the Board and present documentation of compliance as requested. Failure to comply as instructed shall result in decertification.
- 6.3 Suspension
- 6.3.1 Suspension involves the temporary removal of a Diplomate's association with the Board and his/her certification status. The Board will not refund any certification fees for the current year, in whole or in part.
 - 6.3.2 Diplomate who has been suspended can resume active status without reapplying for certification. He/She must, however, express an interest to resume active status in writing to the President.
 - 6.3.3 This action is reserved for situations when the Code has been breached several times. Despite the seriousness of these violations, there should be reason to believe that the Diplomate is capable of correcting the problem(s).
 - 6.3.4 The President will write a letter to the Diplomate which briefly cites the incident(s) that caused the ruling, the section of the Code pertaining to the complaint, and any corrective action that is necessary.
 - 6.3.5 The suspension notice can be delivered personally to the Diplomate or sent to his/her mailing address under confidential cover and via registered mail.
 - 6.3.6 A copy of this document will remain in the Diplomate's file for a period of five (5) years.
 - 6.3.7 The Board should help the Diplomate correct a problem in any manner which is reasonable.
 - 6.3.8 The Respondent, upon a finding of a breach, shall comply within 60 days with any recommendation by the Board and present documentation of compliance as requested. Failure to comply as instructed shall result in decertification.

6.4 Decertification

- 6.4.1 This is the most severe disciplinary action that can be taken by the Board and is used to permanently remove a Diplomate's certification.
- 6.4.2 This action is appropriate in situations where it is not reasonable to expect that the Diplomate will be able to correct the problem(s). It is also pertinent when a Diplomate would severely damage the reputation of the Board if he/she were associated with the Board in any way.
- 6.4.3 The President will write a letter to the former Diplomate which briefly restates the incident(s) that caused the ruling and the section of the Code pertaining to the complaint. The letter will indicate that the PRC has evaluated all evidence and has come to the decision that the appropriate course of action is to decertify the Diplomate. The letter will admonish the former Diplomate to cease and desist describing himself/herself as a Diplomate of the ABFDE. A request will be made in writing to the former Diplomate to return his/her certificate. The written notification can be personally delivered to the former Diplomate or sent to his/her mailing address under confidential cover via registered mail.
- 6.4.4 A copy of the letter will remain in the former Diplomate's file in perpetuity.
- 6.4.5 Because the incident which prompted the decertification was found to be so egregious, the Board cannot be expected to resolve the problem. The Board can exercise discretion in evaluating any future mitigating factors not previously considered.

6.5 Termination from Testing

- 6.5.1 If the Board has decided the Candidate has incurred a breach of conduct or competency, the Candidate will be terminated from the testing process. In the case of competency, mentoring may be offered to the Candidate, upon the discretion of the Board.
- 6.5.2 Reapplication may be made in accordance with Paragraph 4.4 of Qualifications and Requirements for Certification in Forensic Document Examination.

7. Notification of Investigation and Results to Membership and Complainant

- 7.1 If the complaint is forwarded on to the PRC for investigation, the Complainant shall be notified in writing by the President that such complaint is under further investigation and discussion of such matter is prohibited.

- 7.2 At the conclusion of an investigation by the PRC, the Complainant shall be notified in writing by the President of the results of the investigation and whether the complaint was upheld or dismissed. Upon a finding that the complaint was substantiated, the type of disciplinary action shall not be revealed to the Complainant.
- 7.3 In an effort to educate the members of the ABFDE, an annual report shall be forwarded to the members of the ABFDE by the President, indicating the type of complaints received for the year, whether such were dismissed or substantiated, and the basis for such dispensation. The identities of all Complainants and Respondents shall remain anonymous.
8. Further Action
- 8.1 In the event that there is a dispute between the Board and the Respondent as to the action to be taken by the Board upon a finding of a breach, all matters must be submitted to binding arbitration in Houston, Texas.
- 8.2 Request for Arbitration must be postmarked to the President no later than 60 days after the final finding by the PRC. Failure to make such a request within the specified time frame shall render the finding by the PRC final.
- 8.3 Arbitration shall take place in Houston, Texas within a reasonable time not to exceed one year from the scheduled date for Arbitration, or the PRC recommendation will stand. The Arbitration shall be conducted under the laws and procedures regarding the same of the state of Texas.
- 8.4 The Arbitrator shall be selected by agreement of the Respondent and the President from one of the national arbitration organizations. Should the Respondent and President fail to reach an agreement on the arbitration organization within 30 days of the request for arbitration, the ABFDE President shall select such arbitrator.
- 8.5 The Respondent, ABFDE President and PRC Chair, acting on behalf of the ABFDE, may be present for the entire Arbitration proceeding. Each party may, in the presentation of their case to the Arbitrator, present oral testimony, experts, and findings by other investigators, or other evidence.
- 8.6 Findings by the Arbitrator shall be final and binding on the Parties. In the event that an adverse finding is found against the Respondent, he/she shall have 60 days in which to comply with the recommendation(s) of the Arbitrator. Failure to do so shall result in de-certification of the Respondent.

The American Board of Forensic Document Examiners, ABFDE, is committed to impartiality in all matters. The ABFDE bylaws and procedures are structured to manage and safeguard impartiality, and the Board of Directors of the ABFDE accepts responsibility for impartiality in all of its activities. The Board of Directors of ABFDE and each of the committees therein shall not allow personal, commercial, financial or other pressures to compromise this responsibility. The policies and procedures of the ABFDE are fair, objective, non-discriminatory, and in compliance with applicable federal and state laws. The Board of Directors and committees of the ABFDE will identify potential risks to impartiality and take steps to remove such risks.

4. Security of Documents and Records

This review shall include ensuring the destruction of certain confidential documents and records as required in these Rules and Procedures. A summary of the annual review will be provided by each Committee Chair at the annual Board meeting.

6. Return of Property

Officers, Directors, Committee Members and Others Acting in an Official Capacity agree to take all reasonable measures to protect Board property and to return such property to the President, or individual designated by the President, within thirty (30) days of the completion of any assignment or responsibility involving the use of the property, or upon request in any form, by the President. "Property" includes, but is not limited to, computer hardware, software, other equipment, documents, files, applications, etc. Property may also

include the work product generated by any Officer, Director, Committee Member or Others Acting in an Official Capacity when pursuing Board responsibilities, duties or activities.

7. Disciplinary Action

- 7.1 In the event any Officer, Director, Committee Member or Other Acting in an Official Capacity is in breach of Section 2, Confidentiality, or 5, Return of Property, any Director may move that the Board take one or both of the following actions: removal of the breaching party from office and/or decertification.
- 7.2 In the event any Officer, Director, Committee Member or Other Acting in an Official Capacity is in breach of Section I, Maintain the Integrity of the Profession, or III, Duties of Officers, Directors and Committee Members and Others Acting in an Official Capacity, the Board shall discuss the breach and determine appropriate action as detailed in this Section. In the event two-thirds (2/3) of the Board considers the breach to be a serious infraction, any Director may move the Board to remove the breaching party from office. In the event the majority of the Board considers the breach to be of a less serious nature, any Director may move the Board to issue a written reprimand to the breaching party, directing said party to correct the infraction immediately.
- 7.3 In the event any Officer, Director, Committee Member or Other Acting in an Official Capacity is in breach of any ABFDE rule, policy or procedure, as established by the Board and its committees, the individual(s) responsible for and involved in such breach will be served with a written notice if the Board determines the breach has merit. The President shall be responsible for signing and sending any written notice. In the event the President is the breaching party, the Vice President shall be responsible for signing and sending any written notice. Any Officer, Director or Committee Chair may request that the Executive Committee put consideration of such notice on the agenda for the next regularly scheduled meeting, or in the event of circumstances which necessitate quicker action, the Officer, Director or Committee Chair may request that the Executive Committee hold an emergency meeting by telephone or other means to consider issuing such a notice.
- 7.4 In the event the breaching individual served with such notice fails to come into compliance with the written notice within thirty (30) days of its date, any Director may move the Board to consider removing the Diplomate's certification, pursuant to the Professional Review Procedures, Section 6. Such removal can only be undertaken upon majority vote of the Board.
- 7.5 In the event the Board finds it necessary, by two-thirds (2/3) vote, it may also direct the President or another Officer or Director to pursue necessary and appropriate legal action against the breaching individual.

D. General Provisions Concerning Certification

Individuals who present themselves as former or retired Diplomates of the ABFDE must cite their dates of certification. Individuals who do not possess active ABFDE certification are prohibited from presenting themselves as current Diplomates of the Board.
4. Certificates issued by the Board are not transferable. They remain the property of the Board, but every person to whom a Certificate has been properly issued is entitled to its continued possession unless the Certificate is revoked. Legal action may be used to recover any Board property, to include the surrender of a Diplomate’s certificate.
5. A Diplomate or Candidate who is found by the Professional Review Committee (PRC) to have violated ethical or professional rules of conduct or competency as set forth by the American Board of Forensic Document Examiners may be subject to disciplinary action as follows:

2. Educational Qualifications

3. Professional Experience Qualifications

- 3.1 Applicants are required to complete and document a full-time training period of at least two years in duration, in a forensic laboratory recognized by the ABFDE.
 - 3.1.1 “Recognized” means that the applicant’s training program met the basic requirements for a training program described in SWGDOC (Standard for Minimum Training Requirements for Forensic Document Examiners).  - 3.1.2 The ABFDE Credentialing Committee will consider whether the applicant’s training curriculum includes the following basic requirements.
 - 3.1.2.1 Full-time training for a minimum of 24 months under the supervision of a principal trainer. The maximum period of training should not exceed four years.
 - 3.1.2.3 Training that includes the topics addressed in the ABFDE Study Guide.
 - 3.1.2.4 Training from a principal trainer who must also meet these requirements and have a minimum of five years of full-time experience following his/her training as a forensic document examiner.
- 3.2 Applicants should submit as references the names and addresses of three (3) forensic document examiners certified by the ABFDE and attesting to his/her qualifications for

certification and high ethical character. (References from persons other than ABFDE-certified forensic document examiners will be evaluated on an individual basis.)

- 3.3 Applicants must be actively engaged in the practice of forensic document examination at the time they apply for certification.
- 3.4 Each applicant will be required to demonstrate a record of appropriate professional activity in forensic document examination in keeping with the following definitions:
 - 3.4.1 Forensic document examination is the practice of the application of document examination to the purposes of the law.
 - 3.4.2 Forensic document examination relates to the examination of handwriting, typewriting, the authenticity of signatures, alterations in documents, the significance of inks and papers, photocopying processes, printing processes, writing instruments, sequence of writing, and other elements of a document relative to its authenticity or spuriousness.
 - 3.4.3 Forensic document examination does not involve the employment of calligraphic or engrossing skills, nor does it involve a study of handwriting in an attempt to create a personality profile or otherwise analyze or judge the writer's personality or character.

4. Examinations

- 4.1 In addition to meeting the requirements in paragraphs 3.4.1, 3.4.2, and 3.4.3 above, applicants will be required to successfully complete comprehensive written examinations, practical case assignments, and oral examinations based upon the broad range of problems frequently encountered in document examination. These problems may include questions concerning the authorship of handwriting; the authenticity or spuriousness of a signature; the source of typewritten material; the presence or absence of alterations, additions, or deletions on documents; the comparison of inks, papers, and writing instruments; or similar questions as promulgated by the Board.
- 4.2 An applicant must complete all testing phases within two and one-half (2 ½) years after his/her application is approved. Limited exceptions for minimal extensions may be permitted on a case-by-case basis (e.g., illness), as determined by the Testing Chair.
- 4.3 Upon successful completion of the testing program and a vote of approval by a majority of the Board, the Candidate will be recognized as a Diplomat of the ABFDE.
- 4.4 A Candidate who fails to complete the testing program within the requisite amount of allotted time will be terminated from the program. If this terminated Candidate re-applies to the program, s/he must re-apply as an applicant to become a Candidate again, pay the then current application fee, and will begin the process at the Credentials Phase (beginning).

F. Procedure for Application and Certification

1. Application forms and instructions for submission can be found on ABFDE.org or obtained from the Administrative Office at: American Board of Forensic Document Examiners, Inc., 7887 San Felipe, Suite #122, Houston, Texas 77063; Telephone: (713) 784-9537.
2. The completed application should be returned to the above address, together with the application fee of \$350.00 (US and CAN) or \$400.00 (AUS and NZ), of which \$50.00 is refunded if the applicant is found ineligible for certification. Hence, only persons who believe they clearly meet the stated qualifications and requirements for certification should submit applications. No refund is made to accepted applicants whether they take an examination or not.
3. Two copies of a recent photograph must accompany the application.
4. An official transcript from the college or university that awarded the applicant's baccalaureate degree must be sent directly to the Board's office by the registrar.
5. If an application packet remains incomplete after six months of receipt of initial paperwork, it will be returned to the applicant, along with the application fee, less \$100.00 for processing.
6. Successful Candidates are issued a Certificate of Qualification in Forensic Document Examination by the Board to attest to their status as Diplomates of the American Board of Forensic Document Examiners and are listed in the next revision of the Directory.
7. Diplomates of the American Board of Forensic Document Examiners are required to pay an annual fee beginning with the fiscal year (July-June) following certification.
8. Qualifications, requirements, fees, and application procedures are subject to revision by the Board. The latest official version can be obtained from the administrative office of the ABFDE.
9. With the exception of the certification status (e.g., certified, not certified), information about a particular individual shall not be disclosed to a third party without the written consent of that individual. Where the law requires disclosure, the individual shall be notified by the President or designee of the information provided.

G. Assessment Guidelines

1. Credentials Phase
 - 1.1 Upon receipt of all transcripts and references, the Administrative Office will forward the application documents to the Credentials Committee Chair. The Chair will send copies of the application to each Committee member no later than ten (10) working days

after receipt of the application. The Credentials Committee will review the application for the sole purpose of determining whether the applicant meets the general requirements for certification.

- 1.2 The Credentials Committee will submit its recommendation to the Chair no later than fifteen (15) working days after receipt of the application. Votes may be cast or information transmitted or requested by telephone, fax, commercial or government mail or e-mail at this or any step in the testing procedures.
 - 1.3 The Credentials Committee Chair will send a letter to the Candidate concerning the decision of the Committee no later than ten (10) working days of receipt of all ballots pertaining to paragraph 1.2 (above). Copies of this letter will be sent to the President, the Administrative Office, and in the event of an affirmative vote, the Testing Committee Chair.
 - 1.4 An applicant who is unsuccessful may appeal the decision per section 5. Appeals Process.
2. Written Test Phase
- 2.1 Upon successful completion of the Credentials Phase, the Testing Committee Chair will contact (either by telephone or in writing) the Candidate no later than ten (10) working days of notification by the Credentials Committee Chair, outlining the testing procedure (as set forth herein and elsewhere) and requesting a desired date to begin the testing process. All Candidates will be advised that they normally have two and one-half (2½) years after approval of their application to complete the examination process. The Testing Committee Chair shall closely monitor satisfactory progress towards certification. Time periods longer than two and one-half (2½) years shall be closely scrutinized, with termination of the certification process as an option. Upon recommendation of the Testing Committee Chair to the Board of Directors, a 2/3-majority vote of the Board of Directors is required to terminate a Candidate for unsatisfactory progress. The Candidate will be advised of the initiation of this procedure and provided an opportunity to provide input to the Board of Directors prior to their vote. A member of the Board of Directors may recuse him/herself from voting at this or any phase of the testing procedures, and the vote computation will then be based upon the remaining members of the Board of Directors.
 - 2.2 The written examination will be administered as necessary by a Diplomate designated by the Testing Committee. That Diplomate will be given a copy of the ***ABFDE Testing Committee Guidelines for Written Test Evaluators*** document and a **Proctor's Declaration form** to return with the graded test(s). The written test consists of multiple-choice questions. In accordance with applicable local, state, and federal laws, reasonable accommodations shall be made for Candidates with an identified disability. It is the responsibility of the Candidate to notify the Testing Committee Chair of any specific needs.

- 2.3 The Testing Committee Chair or Proctor in charge of giving the written test in the place of the Testing Committee Chair, will grade the written test. The Testing Committee Chair will inform the Candidate of the test results no later than ten (10) working days after receipt of the test. A minimum passing score of 70% is required. The scoring of the written test must be verified by a second Director, preferably a member of the Testing Committee.
 - 2.4 A Candidate who is unsuccessful in passing the Written Test Phase may re-enter after six (6) months at the written test phase of testing.
 - 2.5 A Candidate who is unsuccessful may appeal the decision per section 5. Appeals Process.
3. Practical Case Assignment Phase
 - 3.1 Upon successful completion of the Written Test Phase, the Candidate will receive a set of practical case assignments from the Testing Committee Chair. Practical case assignments will consist of exercises that are designed to represent typical FDE casework. The Candidate is allowed forty-five (45) days upon receipt of the material in which to complete the practical case assignments. Extensions may be granted on a per-case basis. Extensions should be liberally considered, as these procedures have been enacted for the primary benefit of the Candidate. The original set of practical case assignments must be returned, with or without the completed report and notes, within forty-five (45) days.
 - 3.2 Upon return of all practical case assignments, notes, and results, the Testing Committee Chair will select three Practical Case Assignment Evaluators (Evaluators) who shall be Diplomates. The Chair will submit copies to each selected Evaluator as soon as possible after receipt of the material. The Chair will also send a copy of the ***ABFDE Testing Committee Training Guidelines for Practical Case Assignment Evaluators*** document and a confidentiality form.
 - 3.3 Each Evaluator will review the conclusions and notes to determine whether they meet the ***Essential Findings*** and/or cover the ***Other Elements*** specified for each practical case assignment. The outcome for each practical case assignment will be determined as follows:
 - 3.3.1 **Satisfactory:** All *Essential Findings* were met.
 - 3.3.2 **Unsatisfactory:** Some *Essential Finding* was not met.
 - 3.3.3 ***Other Elements:*** If all *Essential Findings* were met but some *Other Element(s)* was not met in the practical report and/or case notes, the Candidate should be questioned on the missing *Other Element(s)* during the Oral Board Examinations.

- 3.4 All Evaluators will submit their recommendations to the Testing Chair who will determine the outcome of the Practical Case Assignment Phase as follows:
 - 3.4.1 If the set of practical case assignments are recommended as “Satisfactory,” the Testing Chair will conclude that the Candidate may proceed to the Oral Boards Phase.
 - 3.4.2 If one or two practical case assignments are recommended as “Unsatisfactory,” the Chair will provide a different comparable practical case assignment(s) to the Candidate.
 - 3.4.3 If more than two practical case assignments are recommended as “Unsatisfactory,” the Testing Chair will conclude that the Candidate has not successfully completed the Practical Case Assignment Phase and must wait a minimum of six (6) months to re-enter the Practical Case Assignment Phase and will be issued a new set of practical case assignments. The Candidate’s original two and one-half (2½) years termination date will remain in effect.
 - 3.5 The Evaluators are required to reach a majority decision for satisfactory completion. In the absence of a majority decision, all the Evaluators will confer with the Chair to resolve any discrepancy(ies).
 - 3.6 If any discrepancy cannot be resolved; the President shall form an ad hoc committee, consisting of three (3) Directors and/or Diplomates, to review the practical case assignment, assignment criteria, and evaluator comments in order to determine the cause of the discrepancy and a final resolution.
 - 3.7 The Chair shall notify the Candidate in writing regarding the Evaluators’ results as soon as possible following receipt of all Evaluators’ recommendations.
 - 3.8 Upon notification by the Chair, all Evaluators will destroy all copies of answers/notes to practical case assignments submitted to them.
 - 3.9 The Chair and Corporate Office will electronically store answers/notes to practical case assignments with the records of the Candidate, including those who withdraw or do not satisfactorily complete any phase of the assessment process. The Candidate’s entire file will be maintained for a period of two (2) years by the Chair.
 - 3.10 A Candidate may appeal a decision per Section 5 Appeals Process.
4. Oral Boards Phase
 - 4.1 The Chair will contact the Candidate and provide the option of having the Oral Boards take place at a mutually agreed venue.

- 4.2 The Chair shall inform the Candidate in writing at least fourteen (14) days in advance of the oral examination as to the necessary preparations. The letter shall also set out the date and location of the examination and the Diplomate responsible for conducting it.
- 4.3 The panel for the Oral Boards shall be composed of three Directors, if they are available. Whenever possible, a member of the Testing Committee shall sit on all panels. If three Directors are not available at an Oral Board destination, Diplomate(s) may be chosen to conduct the Oral Board examination(s). Whenever possible, a Director shall sit on all panels. The Chair may also choose instead to pay for the necessary number of Directors to attend the Oral Boards.
- 4.4 All panel members should be familiar with the practical case assignments being reviewed. Whenever possible, the actual practical case assignments should be available during the Oral Board.
- 4.5 All panel members should be familiar with the Candidate's results. Whenever possible, each member should be provided a copy of these results for review prior to the examination. (All copies disseminated to panel members must be returned to the Director or Diplomate coordinating the Oral Board at its conclusion.)
- 4.6 The Oral Board should be conducted in a conference room or other suitable setting. Reasonable audiovisual requests of the Candidate should be provided.
- 4.7 In order to maintain the highest degree of professionalism, all panel members should be properly attired and conduct themselves accordingly. All members should offer their undivided attention during the Oral Board, and all distractions should be kept to a minimum. If an interruption is unavoidable, the examination should be adjourned for a brief recess.
- 4.8 The Oral Board should last between 60 and 90 minutes. Additional time should be taken for critique and evaluation. All members should be provided with an evaluation form to be completed for each of the three (3) Oral Board presentations.
- 4.9 The purpose of the Oral Board is to assess the Candidate's reasoning, methodology, and underlying knowledge of the field of forensic document examination. As such, all Candidates should be afforded the opportunity to properly present their findings, and all questions posed should be probative and constructive. Examples of sample questions that may be used during the oral boards are listed in the *ABFDE Testing Committee Standards for Evaluation of Candidate Tests*.
- 4.9.1 The Candidate must be able to cover the information and/or theory listed as missing under the *Other Elements* as part of the Practical Evaluation, during his/her Oral Panel. If the Candidate is unable to fulfill this requirement, then the Candidate fails his/her Oral Board.

- 4.10 At the conclusion of the Oral Board, the Candidate is excused from the room while the panel deliberates and reaches a consensus. Strengths and weaknesses of the Candidate's performance should be discussed.
- 4.11 The Candidate is then called back into the room, and a constructive critique of his/her performance is conducted. The panel is then permitted to convey to the Candidate what their recommendation to the Testing Committee Chair will be. It should be emphasized that it is a recommendation, and before a Candidate is certified, a full vote of the Board is required.
- 4.12 At the conclusion of the oral examination, all copies of testing materials, practical case assignments, answers, and demonstrative aids should be collected from the Candidate, as well as from the panel, by a member sitting on the oral panel. This member will have agreed, prior to the oral boards convening, that s/he will be in charge of destroying the documents properly. This is to ensure the continued integrity of the examination process.
- 4.13 The panel will make their recommendation to the Testing Committee Chair no later than five (5) working days of convening.
- 4.14 The Testing Committee Chair shall notify the Board Secretary of the Committee's recommendation. The Secretary will then transmit ballots to the Board of Directors or conduct a vote via email. All ballots are to be returned to the Secretary no later than ten (10) working days after receipt.
- 4.15 The Secretary will send a letter to the Candidate regarding the results of the Board vote no later than five (5) working days following receipt of the last ballot. Copies of this letter will be sent to the President, Testing Committee Chair, and Administrative Office. The Secretary will make arrangements for the issuance of the ABFDE Certificate in a timely manner.
- 4.16 In the event of a Candidate's failure or withdrawal, the Testing Committee Chair will forward a letter of a Candidate's failure or withdrawal to the Administrative Office.
- 4.17 A Candidate who is unsuccessful in completing the Oral Boards Phase may re-enter after six (6) months at the Practical Case Assignment Phase.
- 4.18 A Candidate who is unsuccessful may appeal the decision per section 5. Appeals Process.

5. Appeals Process

An applicant or Candidate who is unsuccessful may appeal the decision of the appropriate committee (i.e., Credentials or Testing) as follows:

- 5.1 The appeal request must be submitted to the President no later than forty-five (45) days from the date that the applicant/Candidate received the decision letter from the appropriate committee.
- 5.2 The appeal may be submitted in writing or presented orally to a quorum of the Board.
- 5.3 If the appeal is submitted in writing, the President will forward copies of the appeal correspondence under confidential cover to the appropriate committee Chair (i.e., Credentials or Testing).
 - 5.3.1 The appropriate committee Chair will provide copies of correspondence and documents to be evaluated to those Directors who did not conduct the initial evaluation. A ballot will accompany each set of photocopies.
 - 5.3.2 All ballots and associated paperwork must be provided to the evaluators no later than fifteen (15) working days of receipt of the appeal letter to the Directors for a vote.
 - 5.3.3 The Directors will submit their vote to the President no later than fifteen (15) working days after receipt of the material. An appeal override vote must be by a 2/3 majority of the Directors.
 - 5.3.3.1 A Director may recuse him/herself from voting at any phase of the testing procedures, and the vote computation will then be based upon the remaining Directors.
 - 5.3.3.2 A physical vote may be taken if a Directors' meeting is scheduled within forty- five (45) days of receipt of the appeal request, at the discretion of the President.
 - 5.3.4 The President will send a letter to the applicant/Candidate regarding the results of the vote no later than ten (10) working days after receipt of the results. The President will provide the results and original materials to the appropriate committee Chair.
- 5.4 Should the applicant/Candidate request to make an oral presentation, the President will make arrangements for the earliest opportunity that a quorum of Directors can be physically present. The Board has the option of holding a special meeting to hear the presentation.
 - 5.4.1 The oral presentation cannot be made by a person other than the applicant/Candidate. As this is a procedural matter, rather than a legal proceeding, no legal counsel or other agent may be present. Should either party request a recording of presentation, the party requesting this action will bear the entire cost of this service and provide the other

side (at no cost) with a complete copy of all recorded information including transcripts.

- 5.4.2 At the conclusion of the presentation, the applicant/Candidate is excused from the room while the Directors deliberate. The President will then call for a vote. A minimum of two-thirds (2/3) of those in attendance must vote in favor of the appeal, otherwise the appeal will be dismissed.
- 5.4.3 The applicant/Candidate is then called back into the room, and the President will convey the results of the vote and the options that the applicant/Candidate has available. The applicant/Candidate will be provided with an opportunity to ask questions and receive clarification of the decision.
- 5.4.4 At the conclusion of the proceedings, all copies of testing materials, practical case assignments, answers, and demonstrative aids should be collected from the applicant/Candidate. This is to ensure the continued integrity of the examination process.
- 5.4.5 The appropriate committee Chair will send a letter to the Candidate detailing the results of the vote and the applicant's/ Candidate's options no later than fifteen (15) working days following the presentation. Copies of this letter will be sent to the President and Administrative Office.

6. Subsequent Test Failure

- 6.1 If a Candidate fails any phase of testing a second time, the Candidate may agree to spend six (6) months with a mentor to address the identified area(s) of deficiency. This mentor will be selected by the ABFDE BOD. Both the mentor and the Candidate will agree to devote a minimum of 80 hours to this process over the six-month period. During the mentorship period the mentor will provide, and the Candidate will complete, a maximum of four mentoring cases in the identified area(s) of deficiency to assess the Candidate's progress. At the end of the six months, if the mentor verifies in writing the Candidate has made significant progress in the specified area(s), the Candidate will re-enter the testing process and be issued a set of new practical case assignments. If the mentor does not verify the Candidate has made significant progress, the Candidate's original two-year waiting period will resume minus the time spent in the mentorship program. The Candidate's original two and one-half (2½) years termination date will remain in effect. This mentorship option is available only once during a Candidate's testing process.
- 6.2 If the Candidate chooses to decline this option, the Candidate will be required to wait a minimum of two years before being allowed to test again. After a waiting

period of two (2) years the Candidate will have to re-submit an application and will begin the process at the Credentials Phase (beginning). There is no limit to the number of times that a Candidate may re-enter the testing process after the two-year waiting period. The Candidate will continue the testing program with the same anonymous Candidate number s/he was originally assigned.

7. Candidate Records

The records of a Candidate who withdraws from or fails any phase of the testing process will be maintained for a period of two (2) years by the Testing Committee Chair. These records will then be retained for three (3) years in digital form by the Testing Committee Chair and in original form by the Administrative Office.

H. Recertification Requirements

There are three basic requirements that Diplomates *must* meet in order to be recertified. These requirements are as follows:

1. Each Diplomat must submit a completed and signed Application for Recertification in Document Examination form to the Recertification Manager by 30 March of the certification year. This form will be sent to the Diplomat by the Administrative Office in January. In order to recertify, the Diplomat must have earned at least 40 points by 30 June of the recertification year.
2. Applicants for recertification must be actively engaged in forensic document examination, be in direct supervision of other forensic document examiners or the training of forensic document examiners.
3. Applicants for recertification must be able to demonstrate that they have maintained currentness in the profession. This will be done by a system of accumulating and documenting points in a manner prescribed by the Board. To further this end, the Board has created a procedure and set of guidelines to efficiently collect, monitor, and report the accumulation of the necessary recertification points by all Diplomates. Each Diplomat is assigned to a Recertification Manager to facilitate this process.
 - 3.1 Recertification points are for five years and begin with the actual date first certified. See the current ABFDE Recertification Points Scoring Table for the number of points awarded for each activity.
 - 3.2 Documentation of participation for which points are requested must be submitted with the Annual Update Submission form.
 - 3.3 A 60-day grace period shall follow each mandatory update deadline. If the Annual Update Submission form is not properly documented and received by the Recertification Manager prior to the end of the grace period, points that could be requested for the current update period shall be forfeited; however, if a Diplomat encounters extenuating circumstances preventing them from submitting the

Annual Update Submission form before the end of the grace period, the Diplomate may petition the Board of Directors for additional time. This petition must be received within the grace period, and the decision of the Board of Directors is final.

- 3.3.1 As appropriate, the Recertification Managers will notify Diplomates regarding mandatory update deadlines, the activation of grace periods, to advise of the expiration of grace periods, and to provide a Notification of Points Awarded (NOPA) for current and to-date points.
- 3.3.2 Failure to timely submit an Annual Update Submission form shall not affect points previously awarded or points to be requested in the future. It shall only result in a forfeiture of points requested in the current update period.
- 3.4 As an alternative to accumulating points in one 5-year period, a Diplomate may choose to go through the testing process, where the Diplomate:
 - 3.4.1 Shall notify their Recertification Manager of their intention, and pay a fee of \$1,000, no later than the end of the third year of their recertification period.
 - 3.4.2 Shall successfully complete a written examination of 100 multiple-choice questions, the examination of five (5) practical case assignments, and the oral examination before the end of their recertification period.
 - 3.4.3 Shall not use this method of recertification twice in succession.
- 4. A total of 40 points during a five (5) year recertification period are required for renewal of the Certificate.
